All in Edinburgh

Supported employment for people who have a disability or long term health condition in Edinburgh.

If you are working with someone who has a disability or long term health condition and they are interested in finding a job and keeping it, we can help.

All in Edinburgh is a project which supports people who have a disability or long term health condition to find a job.

We also work with organisations that are looking to recruit people they may not have considered before.

We match people with the organisation – and the job – that is right for them.

All in Edinburgh is run by four organisations working together. These are: [The Action Group](#), [ENABLE Scotland](#), [Forth Sector](#) and [IntoWork](#).
